

Last year's inspiring rendition of the Star Spangle Banner performed by Glen Hayward of Good Works Auto Repair was truly a moving experience and a great way to kickoff General Session at SuperConference 2017.

Then, after the conference we had a request from another member to perform for SuperConference 2018 in Orlando. This really made us think. ATI members attending SuperConference are not only the best shop owners in the nation but there may be more talent out there than just running a top shop.

So, we are excited to announce a **NEW** award category for SuperConference 2018 –

During the three days of General Session we be showing short videos of our handpicked members who have submitted talent clips. Then Saturday afternoon all attendees will vote their top pick along with the Humanitarian and Innovation of the Year awards. Saturday night, winners will be announced during the Awards Ceremony.

HEY, SOUNDS LIKE FUN AND I HAVE TALENT! HOW DO I GET INVOLVED?

Simply contact your coach and make arrangements to send your personal talent 1-minute video prior to January 15th, 2018. The SuperConference team will select top contestants who will be spotlighted at SuperConference 2018. Any talent audition is welcome to be submitted – musical, “standup”, magic, juggling, dance – you get the picture. It’s that simple. If you are selected as a final contestant, you will be notified by February 10th.

See you at SuperConference 2018 at the beautiful Omni Resort at ChampionsGate.

Your SuperConference Team
