

IMPORTANT GROUND TRANSPORTATION INFORMATION

ATI is NOT providing group transportation this year as many attendees are comfortable with using more convenient and economical ride sharing options. Please click here for transportation suggestions even if you think you know what you are doing.

Option #1

Rideshare (Uber/Lyft) – Please follow signs at MCO airport for pickup location. SEE NOTE BELOW ON SUNDAY RETURN TO MCO

Option #2

MEARS Transportation

Rideshare should work great airport to Omni, but you may consider MEARS for your Sunday return to MCO, especially if you have a very early flight. Rideshare vehicles may have limited availability.

If using MEARS, we are stressing the importance of having Sunday return reservations. We have several hundred people departing the hotel on Sunday, primarily in the morning. Please make sure to schedule a return trip no later than 24 hours prior to your flight.

MEARS RESERVATION INSTRUCTIONS: This is the first screen you will see when you follow the link provided. You are free to book any of the three options, but the Shuttle is the most cost effective.

Reservations

As the primary ground transportation concessionaire at Orlando International Airport, Mears offers on-line reservations for transportation between the Airport and your Orlando hotel. You can book transportation with our shared ride shuttle services or with an exclusive Luxury Vehicle. Shuttle services are provided in either a late-model 11 passenger shuttle van or a motor coach.
